

Renewable Energy Broker / Energimegler

Cleanworld is a leading broker in the fast-growing markets for environmental commodities. We are an international team of brokers that serves energy companies and traders in more than 20 countries from our offices in Oslo and Stavern.

As our business is growing, we are looking for new, talented, and motivated people to help to expand our activities. For our team in Oslo, we are looking for highly motivated, ambitious, and dedicated brokers. We have an open position in our Renewable Electricity Certificates Team and Business Development & Biomethane Team. As a broker, you will be responsible for building and owning a portfolio of clients and providing them access to these environmental commodities' markets.

The position:

- Broker transactions for electricity certificates, biomethane and related commodities with new and existing clients in the OTC markets.
- Establish and maintain strong relationships with clients.
- Business development: Identifying new leads and proactively reach out to them through cold calling.
- Support the rest of the team through initiative and strong performance.
- Achieve annual individual and team targets.
- Conduct market research and present it through presentations and reports.
- International travel for business purposes is to be expected. The position will be based in Oslo.

Your profile:

- Master's degree in Business, Finance, Engineering or similar.
- 1-3 years' experience in brokering, trading, business development, sales, or other relevant experience. Experience in renewable energy is positive.
- Excellent written and verbal communication skills in English and at least one other European, non-Scandinavian language.
- Not afraid to approach and cold call people.
- Structured and highly motivated to succeed in a competitive environment.
- Strong knowledge or affinity with commodities and financial markets.

If you match the profile and you are looking for an exciting opportunity in the renewable energy markets, please get in touch via e-mail with a CV and cover letter.
