

Biofuel Broker

Cleanworld is a leading broker in the fast-growing markets for environmental commodities. We are an international team of experienced brokers that serves energy companies and trading houses in more than 35 countries. The company shares its offices and cooperates closely with its largest shareholder, Arctic Securities, one of Norway's leading investment banks.

Our biofuels desk has been very successful the last years, and we are looking for experienced colleagues to grow the business.

The role:

- You broker OTC transactions physical biofuels such as biodiesel, ethanol, feedstocks bio-oils and other physical commodities
- You build relationships with domestic and international clients and help them navigating through the market.
- Business development: You identify new opportunities and generate business from new markets.
- Support the team and contribute on structured, long-term transactions.
- Conduct market research and present it through presentations and reports.
- The position will be based in Oslo.

Your profile:

- Strong commercial drive and proactive attitude.
- Master's degree in Business, Finance, Engineering or similar.
- 2-8 years experience in biofuels or other physical commodities.
- Excellent written and verbal communication skills in English. As our business is very international, we welcome especially German, Chinese, Italian, Dutch, French and Spanish speakers.
- Highly motivated to succeed in a competitive environment.

You will work on challenging tasks in a hectic and demanding environment with excellent career progression opportunities and a competitive remuneration package.

If you match the profile and you are looking for an exciting opportunity in the renewable energy markets, please get in touch via e-mail with your CV and a cover letter. We will evaluate applications on an ongoing basis.
